Sponsor Project Have a Seat at Lincoln High School!

Lincoln High School, located in the heart of the Rose Garden district of San Jose, is home to more than 1,600 students and 100 staff members.

The Lincoln High School Parent Teacher Student Association(PTSA) is focusing its efforts for the 2025-2026 school year on increasing community interactions and raising money to improve spaces at LHS that improve student interaction. To continue the work on “Project Have a Seat,” our goal is to raise \$25,000 this fall to purchase additional seating so that students can congregate and interact in the Lincoln High School (LHS) Quad and to replace the speakers installed in our athletic stadium. LHS doesn’t have a formal cafeteria and breaks and lunches are sometimes daunting for students with no space to sit, eat lunch, and interact. Furthermore, our speaker system in the athletic field is old and doesn’t yield good sound quality for student body and community events.

For the first time ever, we will be hosting a Gala on February 28, 2026 at the San Jose Elks Lodge. At this event, we will offer opportunities for fundraising through silent auction, fund-a-need, community donations, and sponsorships to help us reach our goal of \$25,000 to purchase more benches to be installed in our Quad. A small goal we believe will have a large impact on our student body. We are seeking sponsorships and/or donations of items or services for this event and would like to ask you to consider making a donation to support our efforts.

allows for us to support the entire team to participate in this experience.

Your Support Can Make a Difference for the Student Community at LHS

About Lincoln High School and the “Project Have a Seat”: The school is located at 555 Dana Avenue in the heart of San Jose’s Rose Garden neighborhood. The school has 1600+ students. Our goal is to double the amount of seating available and to replace the sound system on the field.

Not only will each and every student and staff member benefit greatly from your kind generosity, so will the entire Rose Garden community, as the school grounds serve the neighborhood.

Thank you for supporting the Lincoln High School community!
